

Alternative Investment Funds Lawyer (M/F)

Position based à Luxembourg

Permanent contract – Full time

Our client :

Our client is a prestigious international law firm actively looking for an alternative investment funds lawyer to participate to the development of its Banking & Finance law department.

Your rôle :

Under the supervision of experienced lawyers, your daily tasks will notably include:

- Advising on the formation, operation and restructuring of private funds;
- Representing investors in relation to investments in private funds;
- Working with and advising business clients directly, as well as providing guidance on a full range of issues associated with real estate, infrastructure or debt funds, private equity firms, or investment advisors including investment vehicles and governance structure;
- Assisting in regulatory compliance aspects of funds;
- Building and maintaining strong relationships with clients;

Your skills :

- You hold a University degree in law and are registered with a European Bar;
- You have between 3-5 years of experience in Investment Funds particularly in alternative strategies (Private Equity, Real Estate, Debt, Infrastructure);
- Perfect command in English
- Strong analytical and synthetic skills
- Excellent communication skills
